[Section B: Cyber Implementation Plan]

Guidance notes: If SCAS is being used, and a Cyber Implementation Plan has been submitted by the Contractor and agreed by the Purchaser, the Purchaser should include this section B and the text below (if not, this section B may be deleted). Ensure that the date or contract phase is amended to align with the requirements communicated in the Tender's Specification/Statement of Requirements and the SCAS tool.

The Purchaser should insert below the frequency of review of the Cyber Implementation Plan with the Contractor. This should match any frequency indicated in the tender documentation.

The Contractor shall follow the agreed Cyber Implementation Plan to meet the requirements of Section A by no later than the date(s) set out in the Cyber Implementation Plan. The Parties shall review the Contractor's progress on the Cyber Implementation Plan regularly every [4 weeks].] If the Contractor fails to meet the commitments set out in the Cyber Implementation Plan, this shall be considered to be a material Default of the Agreement for the purposes of paragraph 7.1 (Breach of Cyber Security Requirements) of this Schedule 8.
