TODAY**

# CONGLP1 FUEL CHANGEOVER

## AIM

The aim of this course is to allow engineers to transfer from natural gas to LPG.

## CLIENT GROUP

Candidates must hold a current CCN1 certificate.

## AWARD

On successful completion of the assessments candidates will gain certification to allow them to work on LPG installation.

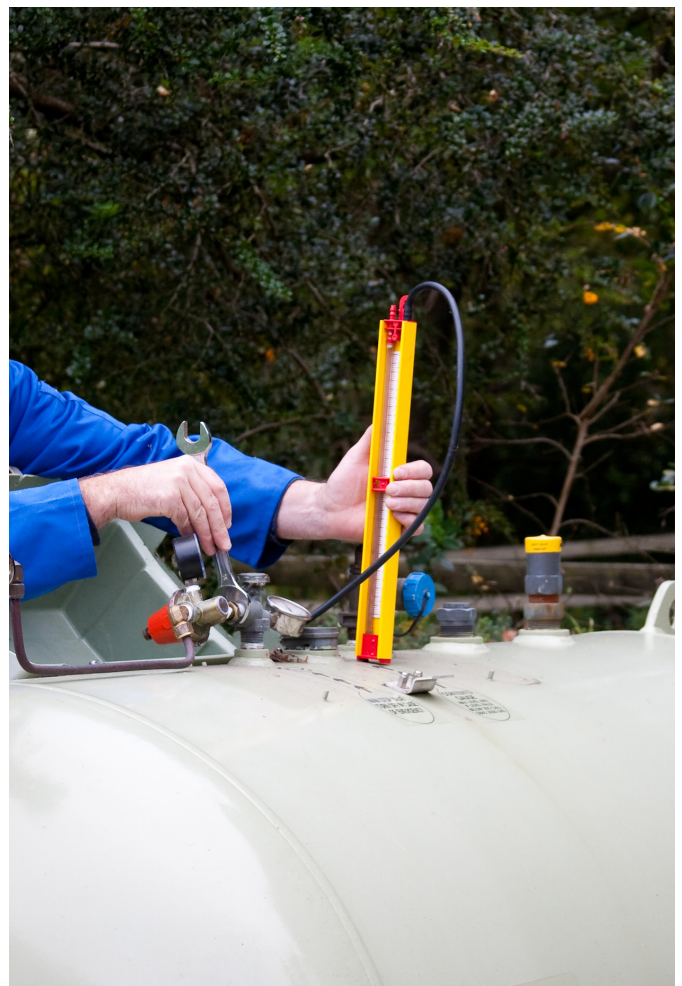

## COURSE CONTENT

The course incorporates:

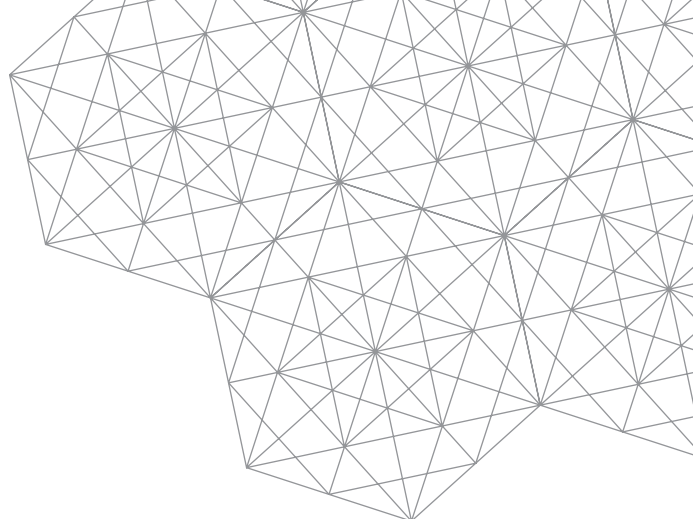

PD Permanent Dwellings  
RPH Residential Park Homes  
LAV Leisure Accommodation Vehicles

Training 1 day (max 8)  
Theory Assessment 1 day (max 8)  
Practical Assessment 1.5 hours (each candidate)

Practical assessments will be carried out for 4 candidates on the same day as the Theory assessment. The other 4 candidates will need to attend for 1.5 hours each the following day. Practical assessments are carried out one-to-one.

# START TOMORROW TODAY
