Welcome and Overview

As you begin your student experience with us, you are entering a supportive and vibrant learning community built on mutual respect and collaboration.

At UHI Inverness we are committed to providing you with the resources you need to thrive academically and personally. Our Student Support Centre and The Bothy, our drop-in workshop and support venue, are open every weekday to assist you every step of the way. They are both located behind reception at the Inverness Campus.

We also offer cost-of-living support such as our foodbank, The Larder, and our free toiletries cupboard, The Cubby, which can both be found in the atrium. Additionally, we provide three free car parks and bike storage at the Inverness Campus and there are public service bus stops in our grounds.

As part of our commitment to create a healthy and inclusive environment, we are proud to maintain a smoke free campus. Second hand smoke is harmful to health and the impact of second-hand vaping is not currently fully understood. Smoking and vaping are only permitted in the smoking shed by car park one.

Please refrain from smoking at entrances, exits, and approaches to our campus buildings and uphold our clean and welcoming atmosphere. Cigarette butts should be disposed of in the cigarette bins provided. Vaping devices should be disposed of safely in special recycling bins and should not be placed in general waste bins or left on the ground.

NHS Highland has a team of specialist advisers to support individuals who want to stop smoking or vaping. Their details can be found below:

Smoke Free Highland **<https://www.smokefreehighland.scot.nhs.uk/>**

We are excited to welcome you to UHI Inverness and look forward to supporting you throughout your time with us.

Please read the Welcome Guide and Key Information Booklet. There is a variety of information contained in these guides, some of which will be of greater relevance to you as you work through the course. They are there to dip in and out of when you feel you need a bit more information.

Key Contacts

Your Personal Development Advisor (PDA) is:		Sarah Buchanan (Tue -Fri)
Your PDA's phone number is:		07384 246 344
Your PDA's email address is:		Sarah.Buchanan.ic@uhi.ac.uk
Our Student Support phone number is:		01463 273208
Our Student Support email address is:		Student.Support.ic@uhi.ac.uk
Our Learning Support Team email address is:		Additionalsupport.ic@uhi.ac.uk
Our Wellbeing Team email address is:		Wellbeing.ic@uhi.ac.uk
Our Library phone number is:		01463 273248
Our Library Team email address is:		Library.ic@uhi.ac.uk
Campus Reception		01463 273000
The Bothy email address is:		Thebothy.ic@uhi.ac.uk
Highlands and Islands Student Association		Hisa.inverness@uhi.ac.uk

Aims of your Course

The specific aims of your course are:

- To gain a formal qualification in hairdressing to start your career and improve your employability options.
- This is also a requirement to progress to Level 3 Hairdressing.

Structure of your Course

The units you may study are as follows:

Unit Code	Unit Title	Credit Value	Semester
H9C0 04	Blow Dry hair	1	IN1
H9C1 04	Shampoo and Condition Hair	1	IN1
H9C5 04	Plait and Twist Hair Using Basic Techniques	1	IN1
J7N9 04	Shampoo, Condition and treat the Hair and Scalp	1	IN2
J7NH 04	Dry, Style and Finish hair Using Hairdressing Techniques	1	IN2
J7NJ 04	Braid, Twist and Thread wrap Hair	1	IN2
INHAITC2Y1	Hair: Theory and Consultation L2 Year 1	2	IN12
INSTUADV	Studies Advisor	1	IN12
INHAIINTCL	HAIR: Introduction to Colour	2	IN1
INHAIINTCU	HAIR: Introduction to Cutting	1	IN1
INHAICSTS	HAIR: Colour Selection and Technique Skills	2	IN2
INHAICTSK	HAIR: Cutting and Texturising Skills	2	IN2

IN1 = Semester 1 IN2 = Semester 2 IN12 = Semester 1 & 2

The units that make up this qualification are a combination of those approved by Awarding Bodies, for example SQA, and Skills register units designed to enhance your learning.

Progression Routes to Further Study and Employment

The curriculum area map clearly shows where this programme sits within the wider curriculum area; and the future progression routes, which may be open to you after successful completion of this course.

You may wish to continue your studies and apply for a place on the SVQ 3 Hairdressing course or SVQ 2 Barbering modules.

Other options may include:

- Employment in a hairdressing salon.

You will discuss all these options and anything else with your Personal Development Advisor (PDA) during your personal interviews throughout the year and specifically when discussing progression.

Hair & Beauty progression route

Specific Information for Hairdressing

Uniform and Dress Code

To maintain a professional appearance and ensure safety in the salon environment, all students are required to adhere to the following dress code:

- **Uniform:** UHI Inverness specification uniform. Black leggings or black trousers must be worn. Please note that denim is not permitted.
- **Footwear:** Closed-in footwear is mandatory at all times, to comply with health and safety regulations.

Adhering to this dress code is essential when classes are in the salons. Until the tunic is available you will be required to wear a long black top.

If you qualify for kit bursary, 2 tunics are supplied through funding.

Attendance and Communication

In the event of absence, students are required to follow the college's absentee procedure **and** notify their lecturer via email as early as possible. This ensures clear communication, which will help support your progress on the course and makes sure that salon sessions run smoothly.

Models

As part of your practical training, you will be responsible for sourcing clients to complete your assessments. To support you in this, we maintain a small bank of regular clients and are happy to promote your services through our social media channels if needed.

Personal contact

As part of our training sessions, there may be instances where physical positioning and contact are necessary to ensure proper technique and safety. Our lecturers may need to adjust your posture or demonstrate movements, which could involve brief physical contact.

We understand that everyone has different comfort levels with physical contact. Lecturers will ask for your permission but if at any point you feel uncomfortable or prefer not to be touched, please do not hesitate to inform your lecturer, PDA or PAT.

Our teaching staff are committed to maintaining a respectful and professional learning experience, and any physical guidance will always be appropriate to the training being delivered.

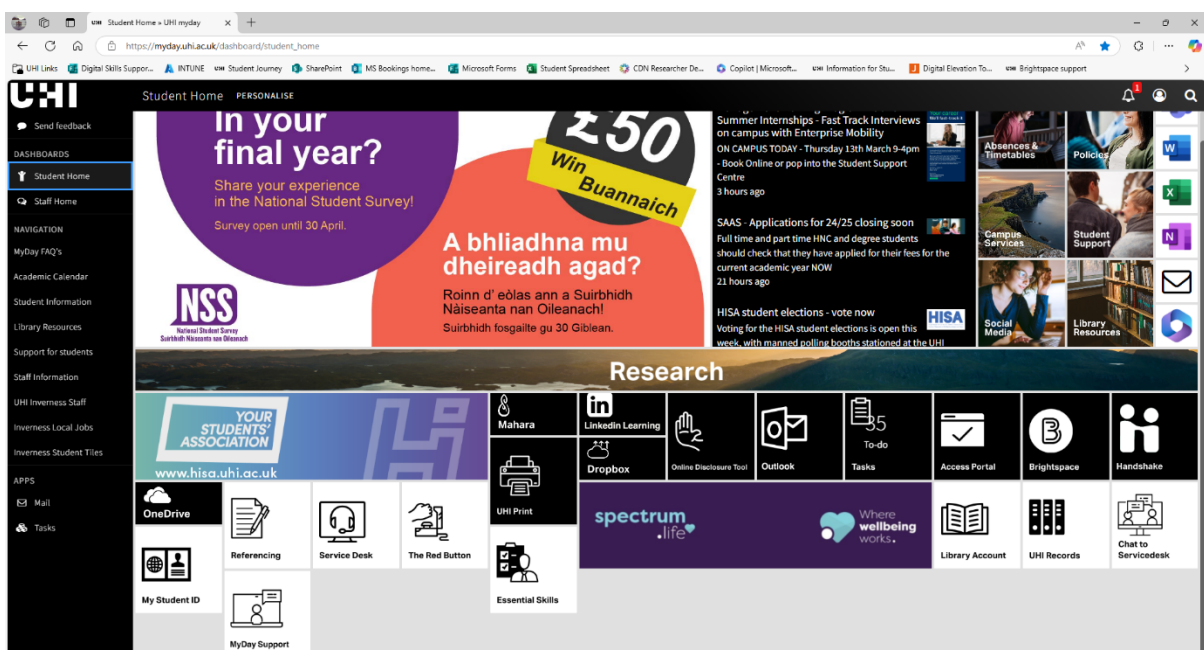

Get Tech Ready

You'll be using lots of different digital tools and systems as a student with us.

The **New Student FAQs** on our Tech Ready [webpage](#) will direct you to important information about our IT systems and the actions you need to take to become 'tech ready' prior to and in the early weeks of your course.

As a UHI Inverness student, you will be given a **Microsoft 365 account** for the duration of your studies, providing you with **Outlook** for e-mail, **OneDrive** for cloud storage, and access to other MS 365 applications like Word, Teams, Excel and PowerPoint. You can choose to download these apps onto your personal devices.

UHI MyDay is our student portal, designed to enable easy navigation to our various services by linking them all in one place and displaying the links as visual tiles. UHI MyDay can be accessed by going straight to myday.uhi.ac.uk from any online device. You can also download the UHI MyDay app from the Apple App or Google Play stores.

A screenshot of the UHI MyDay Student Home page

Key tiles on UHI MyDay include Outlook, OneDrive, and the other MS 365 web apps, plus **UHI Print**, the **My Timetable** and **Absence reporting** tiles, **My Student ID**, and **Brightspace**.

Brightspace is our virtual learning environment (VLE). Brightspace is where you will find your course materials, such as assignment briefs, discussion boards, access to remote live lectures, and session recordings. Brightspace also hosts our student support resources within a unit named 'The Bothy'.

Guidance Statement on the Use of Generative Artificial Intelligence Tools

Embracing AI in Education

At UHI Inverness we believe AI tools such as, Copilot by Microsoft Office, and ChatGPT, by Open AI, can make learning more exciting, spark creativity, and support strong academic outcomes. These tools have been carefully reviewed to ensure they meet current educational standards. As technology and the role of AI in education evolve, we will continue to review and adapt our approach.

Student-Focused Use of AI Tools

Generative AI tools are available to all students to assist with various academic tasks, including research, writing, and problem-solving. When using these tools, students are encouraged to:

- + **Explore and Innovate:** Utilise AI tools to brainstorm ideas, generate content, and solve complex problems.
- + **Enhance Learning:** Use AI to supplement your understanding of subjects, providing additional insights and perspectives.
- + **Collaborate:** Work with peers and AI tools to create collaborative projects and enhance group learning experiences.

Guidance for Responsible Use

To ensure the effective and ethical use of AI tools, students should adhere to the following guidelines:

Using AI in Your Course: Your lecturers will let you know if, and when you can use AI tools in your course or assessments. When AI isn't allowed for certain tasks, other types of assessments will be used, based on the rules set by the organisation that awards your qualification.

- + **Academic Integrity:** Always give credit when using content created by AI—*but only if your lecturer has said it's okay to use it for your studies*. Don't copy or pretend AI-generated work is your own. Use AI to support your learning and help you improve, not to do the work for you.
- + **Critical Thinking:** AI can be helpful, but it's not always right. Think for yourself, double-check the facts, and make sure the information makes sense and matches what you're learning.

- + **Privacy and Data Protection:** Respect privacy policies and data protection regulations. Do not input sensitive personal information into AI tools.
- + **Confidentiality of Course Materials:** Students must not upload or input course materials, including assessment briefs and questions, into AI tools.

Age Restrictions

Generative AI tools are available to students aged 18 and above. Younger students may use these tools, which is for educational purposes only, and with parental consent. To ensure inclusivity, lecturers demonstrate these tools in class, allowing students who do not meet the age requirements to collaborate in groups and benefit from their capabilities.

Recommendations for Research Students

Research students are encouraged to make use of AI tools; however, we strongly recommend starting with our comprehensive library resources. The library offers access to a wide range of books, journals, and expert research support, providing a solid foundation for academic inquiry. Engaging with these resources first ensures a well-rounded and informed approach before incorporating AI tools into the research process.

For more current information

For the most up-to-date information on how AI tools will be used with our students, please refer to our **UHI Generative AI Policy**, which can be found on [our website](#). It includes student guidance on when and how to use AI tools (only when directed by a lecturer), how to reference when using AI tools, and how to use them responsibly. There are also helpful examples of what good, ethical use looks like. While AI can support your studies, it's important to start with reliable sources when doing research.

We ask students to take time to review all this information during induction, so they feel confident and ready to make the most of these tools during their time here at UHI Inverness.

Personal Support Whilst Learning

Congratulations on taking a brave step onto a new pathway to learning!

We understand that throughout the course of your learning journey you may experience personal difficulties or life events which make studying more challenging. Our aim is to offer the care, support and guidance required to help you achieve your goal of successfully completing your studies.

If you are studying full time at SCQF Level 6 or below (Further Education **FE** level) you will be assigned to a **Personal Development Advisor (PDA)**.

Your **PDA** should be **your first point of contact** for any support needs, queries or concerns you may have.

Your PDA

We have a team of Personal Development Advisors (PDAs) who will be available to provide advice and guidance to support your personal development while you study with us. The PDA cannot provide academic support but is a focal point for pastoral care and will work in partnership with your academic teams to support you whilst you study.

Your PDA is Sarah Buchanan

If you need to see your PDA during College hours, you should make an appointment via email or, in an emergency, on the mobile number provided in this handbook or via the Student Support Centre.

General student support will also be offered through the Student Support Centre, which is open from 0830 to 1630, Monday to Friday, at Inverness Campus.

Your PDA can be contacted on:

 01463 273 363 or Mobile: 07384 246 344

 Sarah.buchanan.ic@uhi.ac.uk

If your PDA is not available, you can contact our Student Support team - Student.Support.ic@uhi.ac.uk

PDA Time

You will be scheduled to have specific time with your PDA throughout the course of the year. It is very important that you attend these sessions as they are designed to help you manage your wellbeing and ability to study effectively.

Sessions could include:

- Induction and orientation information
- Team building activities
- Wellbeing and resilience tools
- Coping with stress
- Employability, careers advice and preparation
- Finance and budgeting information, support, and guidance

Your PDA can also help you with a wide range of other concerns you may have such as:

- Attendance and attainment concerns
- Course information and choices
- Finance – funding support, applying for hardship funds, if required
- Help filling in forms – course and funding applications
- Accommodation – help and advice on where to look
- Childcare information – local nurseries
- Progression after your course – What to do next and where to look for help and support

Your PDA can also refer you to more specialist services for wellbeing, counselling, general and additional support for learning, funding, welfare needs and additional help and guidance for managing your transition into student life.

This list is by no means exhaustive. Your individual needs are important to us, whatever the situation, we will listen and try to help.

If your PDA is not available, you can drop into the Student Support Centre behind reception at the Inverness campus and the team will aim to provide the answers you need or find someone who can.

The Student Support Centre is open from 0830 to 1630, Monday to Friday.

Alternatively, you can contact us –

01463 273208

Student.Support.ic@uhi.ac.uk

Recommended Texts / Reading List

There are no set recommended texts for this course, but your tutors may advise further reading pertaining to individual subjects.

You can take out 15 books at a time from the library and there is a drop-box in the Ground Floor Atrium where you can leave books if the library is closed.

Lost Property

Lost property can be handed in to the reception desk at the Inverness campus or Balloch campus. Items such as clothing, bags, shoes will be held for **one month** only. After such time these will be sent to local charities. Items such as earphones and water bottles will be destroyed after **one month**. Valuable items (passports, driving licences, mobiles, purses, wallets, bags and jewellery) will be taken to the police on a **monthly** basis.

Bank cards are **not** considered valuable and will be kept for **one** week before being destroyed by the Estates Team or our Data Protection Officer, who will shred it on our behalf.

Items containing food or drink will be disposed of immediately.

Opening Times

Opening times can be viewed on our webpage. Please select the relevant campus:
