17. **DATE AND TIME OF NEXT MEETING**

Tuesday 19 June 2018 at 3.30 p.m. (amended date)

If any member wishes to add an item of business to the Agenda, please inform the Chair and the Board Secretary as soon as possible. Additional items of business will **only** be considered for inclusion in the agenda in advance of the start of the meeting.

MINUTES of the MEETING of the BOARD OF MANAGEMENT held in Room 202, 1 Inverness Campus on Tuesday 19 December 2017

- PRESENT:** Hazel Allen, Robert Berg, Ollie Bray, Sarah Burton, Andy Gray, Carron McDiarmid, Helen Miller, Innis Montgomery, Chris O'Neil, Fiona Neilson, Gabriel Starr, Neil Stewart, Steve Walsh
- CHAIR:** Neil Stewart
- APOLOGIES:** Brian Henderson, Jaci Douglas, Gavin Ross, Kate White, John Wilson
- IN ATTENDANCE:** Depute Principal
Director of Organisational Development
Director of Business Development
Director of Finance
Head of Curriculum
Head of Student Services
Head of Research Development
Board Secretary
- OBSERVERS:** Tom Speirs (co-opted member), Chris Shaw

Steve Walsh and Carron McDiarmid entered the meeting during consideration of the following item.

1. PRESENTATION BY EDUCATION SCOTLAND

Andrew Brawley, College HMI, Education Scotland made a presentation on the Evaluative Report and Enhancement Plan (EREP), giving some background to the change to the annual assessment from the previous 4 yearly external review, how colleges had responded to the new arrangements and the need to review and refine some aspects of the process for year two.

The Chair echoed Mr Brawley's thanks to the Depute Principal and the SMT members who had pulled the report and plan together and submitted it to Education Scotland on time.

2. MINUTES

The Minutes of the Meeting of the Board of Management held on 26 October 2017 and of the Special Meeting of the Board of Management held on 27 November 2017 were accepted as a correct record, were **APPROVED** and signed by the Chair.

3. OUTSTANDING ACTIONS

The Board Secretary advised that the outstanding actions from previous committee meetings would be discussed at each meeting to ensure that actions had been progressed and that the action list could be updated showing actions completed as appropriate.

The Board **NOTED** the actions that had been completed and those that were still outstanding. The list would be updated accordingly.

4. AUDITED ACCOUNTS FOR YEAR END 31 JULY 2017

The Joint Audit/Finance and General Purposes Committee, at its meeting on 7 December 2017 had considered the annual audit report and the Financial Statements for the year ended 31 July 2017 and had recommended approval of same to the Board of Management. Ernst and Young's independent auditor's report provided an unqualified opinion that the financial statements

- gave a true and fair view in accordance with the Further and Higher Education (Scotland) Act 1992 and directions made thereunder by the Scottish Funding Council (SFC) of the state of the affairs of the College and Group as at 31 July 2017 and of its surplus for the year then ended;
- had been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- had been prepared in accordance with the requirements of the Further and Higher Education (Scotland) Act 1992 and directions made thereunder by the Scottish Funding Council, the Charities and Trustee Investment (Scotland) Act 2005, and regulation 14 of The Charities Accounts (Scotland) Regulations 2006 (as amended).

The Board of Management **APPROVED** the annual audit report and the Financial Statements for the year ended 31 July 2017 for submission to the Scottish Funding Council by 31 December 2017.

5. AUDIT COMMITTEE ANNUAL REPORT TO THE BOARD OF MANAGEMENT

The Chair of the Audit Committee advised that the Committee was required, in accordance with Scottish Funding Council guidance, to report annually to the Board of Management. The annual report highlighted the membership of the Audit Committee, meetings held, those attending and the key reports presented during 2016-17. This included the work carried out by Henderson Loggie, the Internal Auditors, and Scott Moncrieff the External Auditors in relation to the 2015-16 Audit of the Accounts. Other key areas of work of the committee that were covered were risk management, health & safety and approval of policies relevant to the terms of reference of the Committee.

The Audit Committee, at their meeting on 28th November 2017 had recommended the annual report to the Board of Management for approval.

The Board of Management **APPROVED** the Audit Committee annual report.

6. UHI LEARNING AND TEACHING ENHANCEMENT STRATEGY

The Learning and Teaching Committee, held on 5 December had recommended the UHI learning and teaching enhancement strategy to the Board of Management for adoption.

The Depute Principal explained that the University's Learning and Teaching Enhancement Strategy 2017-2021 had been formally approved before the summer. The approval followed extensive consultation across the partnership and the strategy itself recognised and built on the strategies and

approaches already in place, at university and Academic Partners levels. It was proposed that the college adopt the strategy and embed its values and aims within college processes and practices.

The Board of Management **AGREED** to **ADOPT** the UHI Learning and Teaching Enhancement Strategy and **NOTED** that a short life working group would be convened to include, among other things, amendment of the college's Learning and Teaching strategy and other strategies as necessary.

7. GOVERNANCE – UPDATE TO STANDING ORDERS

The Board Secretary advised that the internal audit report on Corporate Governance recommended that the process for Board and Committee members adding an item to meeting agendas be documented within the standing orders.

The standing orders had been amended to reflect this recommendation and a statement would be included at the end of each agenda requesting that members advise the Chair of any other items of competent business in as timely a manner as possible before the start of the meeting.

The Board of Management **APPROVED** the amendment to the standing orders and the inclusion of the statement on each agenda.

The Board of Management recorded their thanks to the Board Secretary for the ongoing work in ensuring that the College was complying with all aspects of corporate governance. This was reflected in the auditors providing substantial assurance over the design and operational effectiveness of the controls in place relating to corporate governance.

Tom Speirs and Chris Shaw left the meeting during discussion of the following item.

8. INVESTIGATIONS - HIGHER MEDIA STUDIES

A report by the Principal referred to the investigations into the failure of all students on the Higher Media award in academic year 2016-17.

Following the conclusion of the investigations, a number of actions were underway and subject to scrutiny by a member of the Board of Management. Progress on the actions would be submitted to the Learning and Teaching Committee.

The Board Members asked a number of questions and **AGREED** that the method, approach and robustness of the investigations and the development of the action plan had been appropriate.

9. STUDENT RECRUITMENT 2017-18 UPDATE

A report by the Depute Principal advised that the current student activity indicated that:

- FE recruitment was on track and should make or exceed the credit target, providing January recruitment met target, and:
- As at 11th December 2017 the FTE, counting by module attachment, was 1,580.8 FTE, which was 99.1% of target.

The Board of Management **NOTED** the report.

10. PRINCIPAL'S UPDATE

A report by the Principal summarised the key activities of Inverness College UHI and sector-wide developments that had emerged during the past three months as follows:-

- SQA Verification visit
- Evaluative Report and Enhancement Plan (EREP) 2016-17
- SFC Strategic Dialogue Meeting
- Investors in People – iIP
- Customer Service Excellence (CSE) Award
- National Pay Bargaining
- Progressive Academic Structure (PAS) and Barometer
- Risk Register

The Board of Management **NOTED** the report.

Ollie Bray left the meeting during discussion of the following item.

11. UHI – FUTURE DIRECTION OF TRAVEL.

The Chair provided a verbal update following the meeting held at the Kingsmills Hotel on 13 December. The meeting had been very positive and there was shared ambition to enhance the student experience, support staff development, make the most of the curriculum across the region, achieve sustainability and work as efficiently as possible. This would be taken forward in the coming months with the Chairs of the five incorporate colleges continuing to play an important lead role.

12. GRAND CHALLENGES DAY

The Principal provided a verbal update following the meeting held on 14 December to which all Principals and SMT members had been invited. The Principal reiterated the five key themes outlined in the previous item, which had the support of all the Principals. The Vice Chancellor was providing a clear line of direction going forward.

13. MINUTES OF MEETINGS OF BOARD COMMITTEES

The Board **NOTED** the minutes of the committee meetings as follows:

- a) Chairs Committee – 23 November 2017
- b) Audit Committee – 28 November 2017
- c) Human Resources Committee – 30 November 2017
- d) Learning and Teaching Committee – 5 December 2017
- e) Finance and General Purposes Committee – 7 December 2017
- f) Joint Audit and Finance and General Purposes Committee – 7 December 2017

The following item was included in the agenda for noting only and therefore no discussion took place at the meeting.

14. INTERNAL AUDIT REVIEW OF CORPORATE GOVERNANCE

The review had found that the level of assurance in terms of design and operational effectiveness was “Substantial”.

15. DATE AND TIME OF NEXT MEETING

Thursday 22 March 2018 at 4.30 p.m.

The Chair advised that this would be the last meeting attended by Robert Berg, HISA Inverness VP Equality before he stepped down from HISA at the end of the year. The Chair thanked Robert for his considerable contribution to the Board. The Board looked forward to welcoming Robert's replacement in the New Year.

Signed by the Chair: _____

Appointment of Vice Chair

Introduction/ Purpose

The purpose of this paper is to explain the process to elect the Vice Chair at the meeting on 22 March 2018.

Background

As advised by e mail to all Members on 28 February 2018, the current Vice Chair, John Wilson is standing down from that position on 22 March 2018 and a call for nominations was made. The term of office is four years.

Process

In terms of the Election of Vice Chair Procedure, there will be a ballot. The process will depend on whether there is one nominee or multiple nominees for the post. The following is an extract from the procedure for the Appointment of Vice Chair:-

- 1. Nominated members will be provided with the opportunity to address the Board of Management for no more than 5 minutes, prior to the votes being cast.*
- 2. In the event of there being two or more duly nominated and seconded candidates for the post of Vice Chair, the matter will be determined by a confidential ballot, which will be supervised by the College Secretary. Members will be asked to select the member that he/ she wishes to appoint and a simple majority vote will apply. In the event of a dead heat, a second ballot will take place.*
- 3. In the case of a sole nomination, members will be asked to support the nomination. In the event of a dead heat, a second ballot will take place. If a simple majority vote does not support the nomination, the position will remain vacant and will be reconsidered at the next Board of Management meeting.*
- 4. Votes cast will be counted by the College Secretary and a scrutineer. The result will be announced by the College Secretary and recorded and signed by him/ her and the scrutineer.*

Recommendation

Board members are asked to note the process outlined above and to participate in the ballot at the Board meeting.

Board of Management

Subject/Title:	Learning and Teaching Committee – Terms of Reference
Meeting and date:	Board of Management –22 March 2018
Extract from Minutes of the Meeting of the Learning and Teaching Committee held on 6 March 2018	

LEARNING AND TEACHING COMMITTEE TERMS OF REFERENCE

A report by the Board Secretary advised that a review of the Terms of Reference of the Learning and Teaching Committee had been carried out by the Chair, in consultation with the Depute Principal and the Head of Research Development. It was proposed that the name of the Learning and Teaching Committee be changed to Learning, Teaching and Research Committee and the remit be amended to reflect the important role of research activity in the College.

The Committee **AGREED** to **RECOMMEND** the changes to the Terms of Reference of the Learning and Teaching Committee to the Board of Management for approval.

Learning, ~~and~~ Teaching and Research Committee Terms of Reference

Membership

Not less than five members of the Board, including the Principal ex officio, the Teaching Staff Representative and the Student Representatives.

Quorum

Three members of the Committee entitled to vote upon the items before the meeting.

Frequency of Meetings

The Committee shall meet no less than four times each year.

Remit

The Committee has overall responsibility for monitoring the direction and performance of learning, ~~and~~ teaching and research at the College.

The Learning, ~~and~~ Teaching and Research Committee shall:

1. Oversee the development and implementation of the various strategies aligned to the committee and monitor their performance against targets.
2. Recognise trends in education and research and recommend specific initiatives in the College.
3. Monitor student recruitment, retention and achievement and any actions identified.
4. Monitor the progress of the annual Student Partnership agreement.
5. Monitor data relating to the student experience and performance at the College.
6. ~~Monitor the College's preparations for the ongoing external verification assessment of the college's quality arrangements and reviewing the annual evaluative report, moderated by Education Scotland.~~
6. Ensure that the college continues to maintain and improve the quality of its provision
7. Monitor the college's preparedness for the ongoing, external scrutiny of its provision
8. ~~7.~~ Monitor the development of the College's International links.
8. ~~9.~~ Monitor the Curriculum to ensure that the College meets the needs of students, stakeholders and the local community.
9. ~~10.~~ Receive and consider information on research activity in the college including funding, curriculum support, student journey, professional development and stakeholder engagement.
9. ~~11.~~ Review the results of the external verification visits carried out throughout the year.
10. ~~12.~~ Monitor the level and type of complaints received.
11. ~~13.~~ Receive regular reports from the Students Association and monitor the college response to student concerns.

Board of Management

Subject/Title:	PROPOSED FEES FOR 2018-19
Meeting and date:	Board of Management – 22 March 2018
Extract from Minutes of the Meeting of the Finance and General Purposes Committee held on 8 March 2018	

PROPOSED FEES FOR 2018/19

A report by the Director of Finance set out the proposed fee rates in respect of the tuition fees set by Inverness College UHI for the academic year 2018/19. She advised that by agreeing these fees now rather than at the next meeting in June, front line staff would be able to provide definitive prices to enable students, nursery customers and staff to make informed decisions.

The Committee had a robust discussion around the fees proposed and noted that

- HE fees were proposed by the UHI Marketing and Planning Team and approved by the UHI Finance and General Purposes Committee.
- The full time FE fees were set nationally
- In the case of international fee rate students, the College policy was to set a fee that broadly equated income from these students to combined fee and grant income received by the College for home and EC students.
- The same fee rate had been set for students with an RUK fee status. The rate was set at the same level as these students were not fundable and therefore did not count towards the credit target.
- The FE fee levels were determined by taking into account inflation, inflation forecasts, the College funding requirements, affordability issues and market forces.
- Nursery fees were set following a benchmarking exercise of private nursery providers in the area.

The Committee **AGREED** to recommend the part time FE and Nursery Fees outlined in the report by the Director of Finance to the Board of Management for approval.

Board of Management

Subject/Title:	Proposed Fees for 2018/19

Proposed Fees for 2018/19

Executive summary

Under the terms of the Further and Higher Education (Scotland) Act 1992, College Boards of Management are required to set and charge fees for education provision with some exceptions. The full time fee rates are not within our control and are set nationally. HE fee rates are set at UHI level and there is agreement that all academic partners charge the same rates.

Historically, fees have been revised alongside the budgeting process and put to the June Board meetings for approval. However, this gives rise to operational difficulties, particularly in relation to student recruitment, when we are unable to provide a definitive cost for a chosen course of study. In order to improve the experience for both customers and staff, early approval of fee rates is sought.

A proposed schedule of fees for 2018/19 has been set out in the appendices.

Higher Education (HE) Fees

In the case of HE fees, there is agreement through UHI Executive Board that all Academic Partners (APs) will levy uniform fee charges, which UHI have now set.

Full time fees are set nationally on an annual basis but have not changed for a number of years. Part-time fees and those for non-EU students for HE level courses have been considered and set by UHI and are shown within appendix 1 for information only.

Further Education (FE) Fees

For FE courses, full-time fees are set nationally. Part-time FE level course fees remain to be set by colleges' Boards of Management locally.

Increases of approximately 4% have been built into proposed FE part-time fee rates for 2017/18. The most recent published figures for inflation for January 2018 are 3% (CPI measure) and 4% (RPI measure, including mortgage interest payments). Although there is some uncertainty, it seems likely that inflation will continue to rise. The last few years have seen an increase in FE fee rates higher than inflation. Whilst we continue to have rising costs resulting from national pay bargaining, increases have been kept to a minimum.

In the case of international fee rate students, the College policy has been to set a fee that broadly equates income from these students to combined fee and grant income received by the College for home and EC students.

The same fee rate has been set for student with an RUK fee status. RUK refers to rest of the UK and this applies to students from within the UK but out with Scotland who come here specifically to study. The rate is set at the same level as these students are not

fundable and therefore do not count towards our credit target. Whilst RUK students studying at HE level can normally receive tuition fee loans from the Student Loans Company, there is little support available for those studying at FE level. The Committee may wish to consider whether alternative rates should be considered for RUK.

The proposal is to take the current fee for these students in 2016/17, which is £5,500 and increase this to £5,720 for 2018/19, an increase of 4%.

Part-time courses for overseas students are charged at circa four times the standard rate for EU students.

Fee Waivers

FE fee waivers are expected to continue to be available in 2018/19 to eligible students under the SFC scheme. Fee waiver grant forms part of the funding received from SFC to compensate for revenues lost by Colleges as a consequence of not making direct charges to students. This is included within the main core grant and not paid separately. As a UHI college, fee waivers are only available at FE level and not for HE activity. Part-time HE students must apply to SAAS for funding.

Professional Development Award (PDA) and Other Fees

There are some courses which are priced independently to take account of the activity required for successful delivery. Some of these courses, such as the SVQs, relate to activity which is largely delivered under contractual arrangements with employer organisations. These fees have not been covered in this review.

Nursery Fees

The attached appendix shows both the current charges for nursery provision in 2017/18 and the proposed rates for 2018/19. The rates have been set through reviewing the costs of the provision and the charges levied by comparable nursery providers in our area.

TUITION FEES - HE

	2017/18 Fee (£)	2018/19 Fee (£)	
FULL TIME COURSES			
SC & EU Students - HNC/D	1,285	1,285	0.0%

Board of Management

Subject/Title:	HEALTH AND SAFETY POLICY STATEMENT
Meeting and date:	Board of Management –22 March 2018
Extract from Minutes of the Meeting of the Audit Committee held on 27 February 2018	

HEALTH & SAFETY POLICY AND STATEMENT

The Director of Organisational Development referred to the health and safety policy and statement and advised that the legislation section of the policy had been reviewed and updated and that a number of minor adjustments had been agreed by the SMT.

The Committee discussed both the policy and the statement and suggested that reference should also be made to wellbeing. The Committee asked the Director of Organisational Development to take a more holistic approach and make some amendments which would better reflect the broader duty of care to both students and staff.

The Committee **AGREED** that the amended policy and statement should be circulated to the Committee for comment before being submitted to the Board of Management for approval.

Postscript

Following circulation of the amended Health and Safety Policy, the Chair has requested that it be brought back to the next meeting of the Audit Committee for further consideration at the end of May. The Board of Management are therefore being asked to approve the Health and Safety Statement only at this meeting.

Health and Safety Policy Statement

Inverness College UHI acknowledges its statutory and moral obligations to adopt the highest standards of health, safety and welfare for staff, students and visitors.

Inverness College UHI is committed to achieve and maintain recognised quality standards in health and safety.

As an education provider and employer, Inverness College UHI is committed to developing a culture of competence and continuous improvement in health and safety management and practice. This will be achieved at all levels through promotion of attitudes and behaviours which instil in students and staff an expectation that sound health and safety practice is the norm.

In support of this, Inverness College UHI is committed to:

- Conforming with all health and safety laws and regulations and relevant standards as the minimum accepted behaviour
- Preventing injury and ill health to all persons under the control of Inverness College UHI
- Maintaining a secure, safe and healthy working environment
- Identifying all hazards and risks associated with its activities
- Providing suitable controls to mitigate risks arising from its activities to as low as reasonably practicable
- Promoting an incident free work place
- Continual improvement of management systems and Health and Safety performance, regular review and revising of this policy
- Providing and maintaining safe working equipment
- Safe handling storing and transportation of any substances associated with its activities
- Sufficient and competent information, instruction, training and supervision

The Board of Management sets the overarching policy for Health and Safety and delegates responsibility to the Principal and Chief Executive to ensure the college fulfils its responsibilities.

Meeting and date:	Board of Management –22 March 2018
Extract from Minutes of the Meeting of the Audit Committee held on 27 February 2018	

Risk Management Policy

The Depute Principal advised that the Audit Committee had previously agreed to adopt the UHI risk management policy statement and that the risk management policy had been amended to reflect this decision.

The Committee discussed the policy in detail and suggested that the policy appeared to lean towards protecting the reputation of the college rather than considering financial or organisational risks.

The Committee **AGREED**

1. That an amendment be made to the policy owner/lead officer as it was currently the same person and that the review date be brought forward to December 2020.
2. To **RECOMMEND** the policy to the Board of Management for approval but ask the Board to note that the committee had concerns about the assessment criteria used within the risk register and that this would be raised with UHI Executive Office.

1 Policy Statement

The Board of Management of Inverness College UHI has adopted this policy for the management of risk at the College. This policy forms part of the governance arrangements of the University of the Highlands and Islands.

The current policy statements on risk were reviewed and agreed by the University Court on 20 September 2017. The College has adopted the statements:

The College's general approach is to minimise its exposure to risk. It will seek to recognise risk and mitigate the adverse consequences. However, the College recognises that in pursuit of its mission and academic objectives it may choose to accept an increased level of risk. It will do so, subject always to ensuring that the potential benefits and risks are fully understood before developments are authorised, and that sensible measures to mitigate risk are established.

1.2 Overview and Scope

Risk is inherent in all activity. Risk management is important to ensure that all significant, relevant risks are understood and prioritised as part of normal management practices. Information on risk must be organised in a way that is useful for management purposes and enables decisions to be taken based on the knowledge of risk versus reward.

Identification and management of risk on a consistent, appropriate and timeous basis is a requirement of the University Court, as regional Strategic Body, and of the Scottish Funding Council (SFC).

The recognition and management of risk is the responsibility of everyone who allocates and/or uses resources so all members of staff should have an awareness of the risks of the organisation.

1.3 Implementation and Monitoring

The policy will be implemented through the Senior Management Team (SMT) of the College. A report comprising the corporate/high level risk register will be presented to the committee of the SMT and to the Board of Management Audit Committee for review and monitoring at each meeting.

2 Legislative framework/related policies

- 2.1. Health and Safety Policy
- 2.2. ICT - UHI Partnership Information Security Acceptable Use Policy
- 2.3. Data Protection Policy
- 2.4. Financial Regulations
- 2.5. Data Protection Act 1998
- 2.6. General Data Protection Regulation (GDPR) (From 25 May 2018)
- 2.7. Business Continuity Plan.

2 Overview

Risk is inherent in all activity. Risk management is important to ensure that all significant, relevant risks are understood and prioritised as part of normal management practices.

Information on risk must be organised in a way that is useful for management purposes and enables decisions to be taken based on the knowledge of risk versus reward. Identification and management of risk on a consistent, appropriate and timeous basis is a requirement of the University Court, as regional Strategic Body, and of the Scottish Funding Council (SFC).

4 Scope

The scope of this policy was initially developed to apply to faculties and departments of Executive Office and also to create a model of good practice methodology that could be adopted by Academic Partners. The College, as an integral part of the University, has adopted the policy to cover all aspects of its activity and operations.

5 Risk Appetite

The College will take a portfolio approach to risk management: i.e. whilst at any one time it may be carrying a high level of risks in one or more parts of its business, it will ensure that the number of areas exposed to high risk at any time are minimised and balanced with a low risk approach in other areas.

The portfolio of risk will be regularly reviewed by the SMT, Audit Committee and Board of Management.

High risk areas will be very closely aligned to strategic priorities and aligned to high returns i.e. the College should not be exposed to high levels of risk if returns are likely to be minimal or if the activity is not business critical.

The elapsed time over which the College is exposed to a high level of risk in any area should be minimised as much as possible.

6 Partnership Approach to Risk management

The University uses a standardised risk template and this has been adopted by the College. The template and the methodology for recording risks was developed and agreed through the Finance Directors Practitioners Group and the process for completing and sharing risk registers was endorsed by Academic Partners Principals.

The criteria for measuring the likelihood of risks occurring and the gross impact of risks is attached at Appendix 1.

7 Roles and Responsibilities

7.1 The Depute Principal is the policy owner.

The recognition and management of risk is the responsibility of everyone who allocates and/or uses resources, so all members of staff should have an awareness of the risks of the organisation.

Risks need to be evaluated in a controlled manner and the uncertainties involved need to be minimised. The approaches available to managing risk include:

- Terminate – avoid risk by doing something else
- Transfer – risk passed on to someone else e.g. outsourcing, insurance, subcontracting
- Treat – reduce risks by management action
- Tolerate – accept risk and manage appropriately

7.2 Board of Management

The Board of Management has a fundamental role to play in the management of risk. Its role is to:

- Set the tone and influence the culture of risk management within the institution. This includes determining the risk appetite of the institution, i.e. determining what risks are acceptable and which are not, and to provide a framework within which the appropriate level of exposure to risk can be determined in particular circumstances; and;
- Approve major decisions affecting the College's risk profile or exposure.

7.3 Finance and General Purposes Committee

The Finance and General Purposes Committee is responsible for:

- Ensuring that the major risks associated with specific proposals put to it have

been properly considered and can be appropriately managed within the policy framework set by the Board.

7.4 Audit Committee

The Audit Committee is responsible for monitoring the College's general arrangements for risk management and specifically for:

- Ensuring that corporate risks are properly managed, reviewing evidence to this effect and ensuring measurement of results as appropriate.
- Advising the Board on the effectiveness of policies and procedures for risk assessment and risk management;
- Annually reviewing the College's approach to risk management and, if appropriate, recommending changes or improvements to key elements of its processes and procedures;
- Providing a statement to the Board annually indicating how the College has complied with good practice with regard to Corporate Governance and, in particular, in relation to effective risk management.

7.5 Role of Internal Audit

A "risk based" internal audit plan is prepared taking account of the College's risk register, strategic plan and wider operating environment.

The College aims to progress towards "risk managed" which is defined as "Enterprise approach to risk management developed and communicated".

Internal audit will:

- Report its findings to the audit committee
- Advise and make recommendations to senior managers as appropriate.

7.6 Senior Management Team

The Senior Management Team is responsible for:

- Implementing the Board's risk management policy and ensuring compliance
- Identifying, evaluating and managing strategic and operational risks in the College and bringing emerging corporate risks to the attention of the Board and/or its committees.
- Ensuring that everyone in each SMT member's area of responsibility understands their risk management responsibilities making clear the extent to which staff are empowered to take risks.

- Communicating College policy and information about the risk management programme to all staff and external partners as appropriate

The Royal Bank of Scotland Consolidated Cash Service

Executive summary

In order for the College to receive cash deliveries the College bankers, RBS, require the Board of Management to approve this function.

Background information

The College bankers are The Royal Bank of Scotland through the Government Banking Service. Historically, College Finance staff attended the branch in person to pay in and/or collect change. With bringing the catering function in-house on the move to the new campus, the levels of cash pay-in required us to utilise secure cash-in-transit services for pay-ins however change orders are still collected from the branch by Finance staff.

The College now wishes to contract for cash deliveries to the College. There are a number of benefits to this including:

- reduced risk to staff
- release of staff time
- agreed delivery days enabling better planning

In order to use this service, RBS require the Board of Management to approve a resolution for the provision of the RBS Consolidated Cash Service (including Bulk Cash). The resolution required is attached.

The application form for this service has been completed and signed by Chris O'Neil and Fiona Mustarde.

Resolution by Charity

The Royal Bank of Scotland Consolidated Cash Service

Resolution of the Board of Management

At a meeting of the Board of Management of

("the Charity") held on the _____ day of _____ year _____

it was resolved that _____

(name and position within the Charity) shall be authorised to sign the Application in the form now produced to and approved by the Board of Management for the provision of the

The Royal Bank of Scotland Consolidated Cash Service (including Bulk Cash)

for and on behalf of the Charity. The Board of Management noted that the Application Form included an indemnity in favour of the Bank and determined that the giving of the indemnity is in the interests of the Charity.

Certified a true copy, the same having been previously entered into the Minute Book and signed by the Chairman of the Board of Management.

Schedule of Meetings 2018-19

Members may have picked up that the college closure dates in April 2019 (8, 9, 10 and 11 April) do not correspond to the Easter weekend (Good Friday – 19 April, Easter Monday 22 April)

At the last JCC, management and staff side discussed the fact that in 18/19 Good Friday isn't an academic holiday or closure day and the Easter weeks for academic staff do not correspond with the Highland Council local authority school break.

The reason this has occurred in 2018/19 is due to the cross-UHI partnership networked teaching weeks which are agreed at Partnership Planning Forum (PPF). For 2018/19 Good Friday is a network teaching Day.

To offset the impact of this on staff, it was agreed at JCC to allocate the 4 college closure days to maximise the school holiday period and allocate the Academic Easter break to take account of one week of the highland school holidays period.

Executive summary

The Board has previously approved in principle, and on the production of a suitable business case, the release of funds from the Arm's Length Foundation (ALF) to support the potential development of a sports facility on the Inverness Campus.

The Inverness Campus Sports Development Steering Group, at their meeting on Monday 26 February, agreed to take forward the installation of a synthetic sports pitch on the site identified for the campus sports facilities. The decision was taken on the basis that collating the necessary funds for the installation is achievable in the short term, whereas obtaining the funds required for the full development is unlikely in the short term. The pitch will be Phase 1 of the overall development, and will be owned and operated by the college.

Several sources of funding or potential funding for Phase 1 have been identified, including from the college's ALF, The Highland Council (THC), Sportscotland and UHI. Highlands and Islands Enterprise (HIE) will (subject to Board approval) contribute the plot on which the development will be located.

The Board is asked to approve the college's commitment to taking forward the installation of the pitch as part of the Campus Sports Development partnership.

Background

The installation of a synthetic pitch, suitable and equipped for rugby and football and suitable for a variety of other sporting activities, would add much to the college's capacity to deliver the sports curriculum. It would also provide further recreational/social opportunities for students and student sports clubs. In addition, it offers opportunities for commercial activity, greater engagement with Sportscotland and local sports development officers as well as further community and school engagement.

Following the steering group meeting, the Depute Principal, the Head of Planning and Development at THC and the Project Director for Inverness Campus from HIE (both steering group members) met on 8 March to take the installation of the pitch forward. Issues discussed included the potential funds available, the cost of installation and the cost of commissioning a design for planning purposes.

Details on costs of recent similar installations were obtained from THC. These included the following specification:

- 1 no. 100mx70m 3G IRB Rugby Pitch plus 10m touch-in-goal zone and 5m run-off to all sides
- 1 set of 13.5m hinged aluminium rugby posts
- Technical zone (lines)
- 3m wide hardstanding
- 5m wide hardstanding
- 8 no. fold down galvanised steel lighting columns

- Spectator rail
- Linings for 100mx70m 11-a-side football pitch
- 1 set 3G integral weighted goals
- Linings for 2 no. 7-a-side pitches
- 2 sets 3G integral weighted goals
- Pitch-side bench seating
- Pitch-side canopies
- Ball-stop fencing around the perimeter.

The above development included a car park and work on other grass pitches: the total cost was in the region of £1.1m. The installation on the campus would follow closely the specification above and would include a car park (size tbc), so the anticipated cost is in the region of £0.7 to £1m.

THC has some funding available from previous developer activity and other sources that, pending approval, can be allocated to the pitch development: this is in the region of £250k to £400k. Sportscotland has funding lots of £100k available via a bidding process, and there is the possibility of negotiating some further contribution. UHI strategic funds are another potential source, and given the importance of the campus to the strategic development of the university, a bid to these funds by way of match to any funds allocated from the college's ALF should be considered.

Design costs are estimated in the region of £40-60k, and the college, THC and HIE have provisionally agreed to split this cost equally between them. HIE and THC would support the college through the design process, as required.

A business case for Phase 1 will be developed, led by the Director of Business Development. This will include the anticipated income from the development's contribution to increased student numbers and associated revenue and maintenance costs.

The Board is asked to approve the direction of travel, and to approve the release of an appropriate amount of funds from the ALF for Phase 1 on the production and approval of the above business case.

Roddy Henry
Depute Principal

Principal's Report

Purpose of Report

This report provides the Board with an overview of new and continuing activity in relation to the statutory requirements, work themes, and the input in relation to strategic direction and the progress on Integration.

Activity Targets

The College still anticipates achieving its FE credit target of 29,507, which includes 438 credits funded through European Structural Funds (ESF). Activity showing in the student records system is currently at 96% of target, with some planned activity still to accrue.

HE student numbers are currently ahead of target, with 1,616 FTE (funded undergraduate) projected against a target of 1,595 FTE.

Course Development

The BSc Optometry has been approved and we are awaiting final General Optical Council approval for professional recognition. We can confirm a new Head of Optometry – subject to contract and references, who brings significant experience in the delivery of optometry to PG level, research, professional practice and CPD development for the industry. His appointment will not only allow the delivery of this programme but PG and CPD full cost growth. The programme business plan will move the course into profit at the beginning of year three with initial costs covered through EO and by a syndicate of community optometrists lead by Specsavers.

Other course related initiatives include:

- Re-approval of BA (Hons) Drama and Performance
- Skills Development Scotland funding for graduate level apprenticeship
- Approval for Civil Engineering Apprenticeship
- Further development of a BA (Hons) in Outdoor Education
- Development of a Gaelic Plan to spur leisure delivery and Gaelic Medium Teacher Training from Early Education through to Secondary.
- Further Masters level developments with international dimensions for international recruitment.
- Approval of Masters Level applied Anthropology modules
- Open summer school delivery on Scottish Culture.

Investors in People (IiP)

As previously reported, the College underwent a review of IiP Gold in December. We have retained our Gold award and have received significant and useful insight into our direction of travel that has support from colleagues, partners and the IiP assessor.

Salient points from the report include:-

- We meet the IIP Gold standard
- We are on track for Platinum for 2020
- We need to develop our performance management, PIs and staff development.

All necessary actions are underway.

Integration

The integration project is regarded as a positive development for the college and is widely understood and accepted by most.

SMT have maintained clear and constant communication with all staff over the whole period of the project and worked proactively with colleagues and with local and national unions to give clear and concise information. This included a well attended and very well received talk on TUPE and related issues given by the Director of Organisational Development.

Of note, our Marketing and Communications Manager has taken on UHI wide communication responsibilities as integration creates alternative demands within EO.

As the project progresses, the Principal will meet with the Vice Chancellor to agree and take on UHI wide operational responsibilities to deliver the project as it is further defined.

It should be noted that the Progressive Academic Structure presented to the Board in December has been adopted as the standard for UHI post integration. Consequently, it is paused in the context of local delivery, and its wider delivery will become a key operational theme for UHI.

An interesting concern has been raised by some staff regarding the “post integration culture”. The concerns are based around management structure, ethos and values. Colleagues within Inverness College do not want our culture compromised.

Targets and Forward Planning.

We are beginning the process of planning for 2018/19 and are confident that our core activity will continue to be healthy.

As part of the central objectives for SMT, we will be developing the financial strategy as a sub-strategy which will include the forward planning and support to grow additional income. Some of this forward planning, in relation to additional income through commercial, Future Workforce Development Fund and modern apprenticeship is looking extremely positive with a target of circa £1.3 million. Our international recruitment strategy is targeting circa £150k in year 1 and separate development of a Vice Principal Academic Development should support exponential growth over time.
