Recommendation

It is recommended that the Committee approve the election process and timetable as shown overleaf.

Background

The Post 16 Education (Scotland) Act 2013 requires that the membership of the Board must include “a person appointed by being elected by the teaching staff of the college” and that “Elections to appoint teaching and non-teaching staff members of the board will be conducted in accordance with rules made by the board. Before making, varying or replacing rules about elections for teaching or non- teaching staff, the board must consult the representatives of any trade union which the board recognises as being, or which otherwise appears to the board to be, representative of the staff of the college.”

The Teaching Staff Member on the Board of Management, Matthew Millward has left college and stepped down from the position on Friday 9th May 2025. In the event of an election requiring to be held because of a resignation of the respective members of the Board the procedures set out shall be completed no later than eight weeks after the vacancy occurs. The eight weeks excludes College vacation periods to ensure that all staff have the opportunity to participate.

Teaching staff will start their academic holidays on 24th June 2025, and it is my intention that the election process commences almost immediately. This would allow the nomination, campaigning and voting to be completed by Tuesday 24th June. The result would then be formally advised to the Board at its meeting on 24th June. This would also allow the Board of Management to formally appoint the new Teaching Staff Member to the Learning and Teaching Committee.

ITEM 06.

Previous Teaching Staff member was appointed in May 2022 and took up his position with effect from 17th May 2022. It is proposed that the new Teaching staff member be announced at the Board meeting on 24th June 2025. Given the academic break starting on the same day, with academic staff returning on Monday 11th August, it is proposed that the start of the term would also be the same day.

Appointment of Teaching (Academic) and Non-Teaching (Professional Services) Staff Members to the Board of Management of UHI Inverness

Election Rules

- 1 In accordance with Schedule 2 to the Further and Higher Education (Scotland) Act 1992 ("Schedule 2"), the Board must include two members of staff. One shall be appointed by being elected by the teaching ("academic") staff of the college from amongst their own number and the other shall be appointed by the non-teaching ("professional services") staff of the college from amongst their own number.
- 2 Paragraph 3B (1) of Schedule 2 provides that such elections must be held in accordance with rules made by the Board.
- 3 Before making, varying or replacing these Election Rules, the Board must, as required under 3B of Schedule 2, consult the representatives of any trade union which the Board recognises as being, or which otherwise appears to the Board to be, representative of the academic/professional services staff of the College.
- 4 Having consulted relevant representatives as required under paragraphs 3(B)(2) and (3) of Schedule 2, these election rules have been made by the Board under paragraph 3(B)(1) of Schedule 2. These rules were made by the Board on 28th March 2017 and come into effect on that same date.
- 5 For the purposes of these election rules, staff groups are defined as follows:
 - **Teaching Staff/Academic Staff** – all staff (including Managers) who are on the academic staff payroll.
 - **Non-Teaching Professional Services Staff** – all staff (including Managers) who are on the professional services staff payroll.
- 6 Appointments shall proceed as follows:
 - (a) The appointment shall be made by election administered by the Returning Officer (the Returning Officer shall normally be the Governance Officer. Where the Governance Officer is unavailable, the Board must appoint another staff member to act as Returning Officer).
 - (b) The Returning Officer shall communicate to staff any vacancies that arise and request nominations for membership from the Academic or Professional Services Staff as relevant.
 - (c) Such nominations must be received by the Returning Officer by the date specified in the communication, being not less than fourteen days from the date of the communication.
 - (d) Each nomination must be signed by the nominee, the proposer and one other person all being members of the academic or professional services staff as appropriate. Only academic members of staff may nominate the academic member and only professional services staff may nominate the professional services staff member.
 - (e) If more than one nomination is received, the Returning Officer shall thereafter arrange for an election to be conducted using an appropriate electronic system and shall notify each member of the academic or professional services staff of the college as appropriate of the names of the nominees and the process to be followed.
 - (f) The election shall be completed by the date and time specified in the notice issued by the Returning Officer being not less than seven days from the date of the issue of the notice of the election. Only academic members of staff may vote for the academic member and only professional services staff may vote for

the professional services staff member. All staff members who are eligible to vote shall each be entitled to one vote.

7 The following rules shall be followed as regards counting votes:

- (a) The Returning Officer shall offer each nominee the opportunity to be present or represented at the counting of votes.
- (b) The counting of votes shall take place within 24 hours of the time set for the close of the election and shall be done by the Returning Officer in the presence of such nominees or their representatives as have chosen to attend.
- (c) The nominee receiving the most votes shall be declared elected.
- (d) In the event of a tie the election shall be decided by the drawing of cards or lots amongst the nominees with the most number of votes.
- (e) In the event of elections for academic and professional services staff members being held concurrently, the counting of votes shall be done as a separate and consecutive process for each election.
- (f) The Returning Officer may use such staff of the College as may be necessary to assist in the counting of votes.
- (g) The names of the persons elected shall be reported to the next meeting of the Board after the election and announced to all staff.

The 'counting of votes' may be a physical count of ballot papers where a paper system has been used, or the opening of an electronic report where an electronic voting system has been used.

8 The following rules shall apply in the event of a vacancy arising in respect of the appointment for a staff member

- (a) In the event of an election requiring to be held because of the expiry of the term of office of the respective members of the Board the procedures set out above shall be completed no later than four weeks prior to the date of expiry.
- (b) In the event of an election requiring to be held because of a resignation or death of the respective members of the Board the procedures set out shall be completed no later than eight weeks after the vacancy occurs. The eight weeks excludes College vacation periods to ensure that all staff have the opportunity to participate.

Appointment of Teaching (Academic) and Non-Teaching (Professional Services) Staff Members to the Board of Management of UHI Inverness

Sample Advertisement

As you may be aware, membership of the College Board of Management includes two places for College staff members (one academic and one professional services). The position of **[academic/professional services]** member will become vacant on **[date]**. The Board has a strong commitment to equality and diversity and particularly welcomes Board members from those groups under-represented on Scotland's public bodies.

Staff members of the Board of Management are full members and have the same rights, responsibilities and obligations as other Board members. Staff members are **not** there as 'representatives' of the staff, they are there to bring knowledge and expertise of the day-to-day workings of the College into Board meetings, processes and decision-making.

Nominations are sought to fill the current vacancy. Nominations must come from current members of **[academic/professional services]** staff. Each nomination will require a proposer and seconder, both also current members of **[academic/professional services]** staff. The nominee must also prepare a support statement, which should give a brief outline of why they should be elected to the Board. This will be used in the event of an election being required.

Where only one nomination is received, that nominee will automatically be elected to the Board. Where more than one nomination is received, an election by electronic secret ballot will take place and the nominee receiving the most votes shall become elected to the Board. In the event of a tie the nominee shall be determined by the drawing of cards or lots.

The term of appointment shall be for a period of four years.

Information about the role and on the role of a Board member is available

In October/November 2025 UHI Inverness Board of Management will be undergoing an Externally Facilitated Effectiveness Review conducted by CDN. The review takes place every 3-5 years and the latest took place in autumn 2020. The CDN confirmed that the Board does not need to conduct its annual Internal Evaluation Process in the year the external review takes place.

The Governance Officer will contact other Governance Professionals within the partnership and wider network to ask for examples of best practice being used by other institutions when it comes to internal reviews.

The Governance Officer attended the Governance Professional Steering Group Development Day in Perth on 8th May and organised by CDN. One of their guest speakers, Ron Hill, suggested a different approach to Board governance and a short paper will be presented to the Board within the next few weeks with a proposal regarding durations of meetings, reports coming to the full Board and additional sessions with college staff and students.
