Important information

SKIN TEST PROCEDURE

It is a Health & Safety requirement that clients must have an allergy alert test at least 48 hrs prior to every eyelash or eyebrow tinting, spray tanning, facial peels, lash lift, creative brows or application of false lashes.* No treatments can be carried out without a valid skin test in place. Clients must be over the age of 16 years to receive the above treatments. The patch test must be carried out within the learning and teaching environment by our students.

No colour treatments are carried out on children under the age of 16 years.

REMINDER

Due to the student training schedule, we are not always able to offer all of the listed services. At times, treatments and services might be cancelled/changed at short notice due to unforeseen circumstances. UHI Inverness is a teaching and learning environment and your appointment may take longer than expected. However, this is reflected in our price list and the students and staff will make every effort to ensure our clients have an enjoyable and professional experience. Prices are subject to change.

We do not offer any services to anyone under the age of 12 years. No colour treatments, waxing, nail or lash extensions, facials, electrotherapy treatments, tanning treatments or massage are carried out on children under the age of 16 years. All clients under the age of 16 years must be accompanied by a guardian or parent.

No babies or toddlers are allowed in the salons.

LATE ARRIVALS

Should you arrive late for your appointment, your treatment might not be carried out due to time constraints.

MEDICAL CONDITIONS

Our clients are very important to us and to ensure clients receive the best care possible, a consultation is carried out prior to any treatments.

The following are a few examples of certain medical conditions that may restrict, prevent, or require medical consent for some of the treatments on offer: *cancer, diabetes, epilepsy, heavy medication, heart problems, pacemaker, recent surgery, thyroid conditions, varicose veins, deep vein thrombosis or skin diseases (e.g. cold sores).*

Should you suffer from any other medical condition or are in any doubt, please feel free to contact us before making an appointment. Your enquiry will be treated in the strictest of confidence.
