Brèagha Training Salons

WELLA ALLERGY ALERT PROCEDURE

It is a health & safety requirement that clients must have a Wella allergy alert test at least 48 hrs prior to any hair colouring service. This procedure must be carried out by our students within the training salons BY APPOINTMENT ONLY and takes approximately 45 mins. Unfortunately, no colour treatments can be carried out without a valid skin test in place.

If there is no change to the original consultation, this skin test is valid for 6 months.

Should you have a tattoo or a colour treatment at another salon or use shop bought products, you would need a new allergy test before your next colour service.

No colour treatments are carried out on children under the age of 16 years.

REMINDER

We are not always able to offer all of the listed treatments as it may vary throughout the academic year in accordance with students' requirements. At times, treatments and services might be cancelled at short notice due to unforseen circumstances.

We do not offer any services to anyone under the age of 12 years. All clients under the age of 16 years must be accompanied by a legal guardian or parent.

Prices and services are subject to change.

LATE ARRIVALS Should you arrive late for your appointment, your treatment might not be carried out.

PLEASE NOTE No babies or toddlers are allowed in the salons.

Please call the hair and beauty reception for appointments or further information on the number below.

Our clients are very important to us. If your call is not answered straightaway, please leave a message and we will call you back at the first available opportunity. Please leave a mobile phone number if your calls are screened.
