It is a health & safety requirement that clients must have a Wella allergy alert test at least 48hrs prior to any hair colouring service. This procedure must be carried out within the training salons BY APPOINTMENT ONLY. If there is no change to the original consultation, this skin test is valid for 6 months.

No colour treatments are carried out on children under the age of 16 years.

Please note: babies or toddlers are not allowed in the salons. We do not offer services to anyone under the age of 12 years.

Should you have a colour treatment at another salon or use shop bought products, you would need a new allergy test before your next colour service.

LATE ARRIVALS

Should you be late for your appointment, your treatment might not be carried out as the classes are restricted to timetables.

UHI Inverness is a teaching and learning environment and your appointment may take longer than expected. However, this is reflected in our price list and the students and staff will make every effort to ensure our clients have an enjoyable and professional experience.

We are not always able to offer all of the listed treatments as it may vary throughout the academic year in accordance with students' requirements. At times, services might have to be cancelled at short notice due to unforeseen circumstances.

Please call the hair and beauty reception for further information or appointments on the number below. Our clients are very important to us. If your call is not answered straightaway, please leave a message and we will call you back at the first available opportunity.

For appointments please call tel: 014632 273273
