1. Policy Statement

The College will provide equality of opportunity in the recruitment and selection of vacant posts and ensure applicants are treated on the basis of merit and ability. In doing so the College will promote recruitment and selection practices which do not discriminate on any unfair or unlawful grounds, for example because of sex, race, disability, marital status, sexual orientation, gender reassignment, age, pregnancy or maternity and/or religion or belief.

The purpose of this policy is to:

- Provide a framework which provides a consistent and clear approach to staff recruitment and selection.
- Ensure processes are in place to attract the best possible candidates and determine whether they have the knowledge, skills, attitudes and behaviours to fully undertake the role they are recruited for and in line with organisational culture.
- Develop and encourage a safe and secure working environment within a culture of equality of opportunity for all.
- Support staff through their initial induction period by providing initial and ongoing support that will enable them to understand and embrace organisational culture.
