

# BOHS CCHR/C

## AIMS

This course has been designed to provide training for construction site supervisors, so they can better recognise and control the health risks specific to their workplace, by:

- Identifying the most commonly present health hazards found on construction sites
- Understanding the principles of risk control
- Identifying the measures needed to control common health risks from construction activities

## CLIENT GROUP

To assist construction supervisors and managers in upskilling their workforce in the basics of health risk management and control.

## COURSE CONTENT

### Module 1

Online distance learning 2 hours

An introduction to:

- The effect of work on health
- Hazardous substances
- Hazardous micro-organisms
- Physical hazards

After completing this module, students will be able to identify the wide range of hazards that are most commonly present on construction sites, and understand how those hazards can affect health (The aim of this module is to ensure the student has a basic level of knowledge before taking module 2).

### Module 2

Classroom-based teaching focusing on the control of health risks 6 hours

This module will cover:

- Health hazards found on construction sites
- Risks from chemical hazards (including dusts, fumes, gases and vapours)
- Risks from physical hazards (noise, vibration)
- The principles of risk control
- Controlling common risks on construction sites

After completing this module, students will understand the underlying principles of risk control as applied to health risks on construction sites, and will be able to recognise and select appropriate controls for a wide range of industry hazards.

## AWARD

Candidates who pass the course will receive the Certificate in Controlling Health Risks on Construction Sites.

## DURATION

1 Day

## CANCELLATION POLICY

Inverness College UHI (ICUHI) reserves the right to cancel or defer the dates of the courses. In the event of ICUHI cancelling a course, learners will be deferred to another (scheduled ICUHI) course or given a full refund if ICUHI are unable to provide a course on dates suitable to the learner. In the event of cancellation of a course by the learner or their representative, the following charges will apply:

More than 28 days – 0%

14-28 days – 25%

1-14 days – 50%

No notice or non-attendance without notice – 100%

ICUHI reserves the right to charge a cancellation fee of £40 if the learner or their representative cancels (refund terms above). Cancellations can be advised to ICUHI by telephone but must be confirmed in writing, either by post or email to:

[business.ic@uhi.ac.uk](mailto:business.ic@uhi.ac.uk)

Refunds are calculated from the date of the written confirmation of the cancellation being received by ICUHI.

Learner deferral requests must be received no later than 10 working days prior to the course start date, otherwise the above £40 administration fee will apply. ICUHI will make all reasonable attempts to defer the learner to a suitable ICUHI course, but deferral requests are at the discretion of ICUHI as are any refunds after deferral requests. All awarding body costs arising from the learner.

To apply or for more information
