

OFTEC - OFT105E, OFT101, OFT600A

AIMS

The aim of this course is to provide oil heating installation technicians with their OFTEC 105E, 101 and 600A certificates making them eligible for OFTEC registration.

CLIENT GROUP

Candidates should have experience in domestic heating installation and will generally have a qualification in gas, electrical, plumbing or heating and ventilation.

AWARD

On successful completion of the assessments candidates will gain the certificates below and be eligible for OFTEC registration.

- OFT105E – Domestic/light commercial appliance and energy efficiency installation
- OFT101 – Domestic/light commercial pressure jet appliance commissioning and servicing
- OFT600A – Domestic/light commercial/ industrial tank installation

COURSE CONTENT

The course is in two sections. The training section will prepare you for your OFTEC 105E, 101 and 600A assessments by providing information on legislation and training in both the practical and theoretical aspects of oil installation.

The assessment section consists of a number of multiple choice exams and a practical assessment. During this practical assessment, an OFTEC approved assessor will observe you undertaking practical activities on appliances and equipment.

Please note that the training section of this course is not compulsory. You could choose to go for assessment only. In practice only a small number of candidates take this route and we do recommend you attend training immediately in advance of your assessment.

IMPORTANT INFORMATION

The Oil Firing Technical Association for the Petroleum Industry (OFTEC) operates a system of registration for technicians engaged in commissioning, servicing, installation and plant operation with oil firing equipment. To become an OFTEC Registered Technician you must provide a current certificate of assessed competence issued by a UKAS accredited certification body, such as BPEC. OFTEC certificates must be renewed every 5 years. To ensure BPEC Certification complies with its Awarding Body Agreement with Gas Safe Register, centres must verify the likeness of candidates. All candidates must bring with them one of the following:

- A current passport
- A current driving licence (photo ID)
- A photo ID card issued by the UK Border Agency
- Photo ID issued by any Government Agency

ALL ATTENDEES TO BRING WITH THEM 2 x PASSPORT PHOTOS

First time OFTEC candidates must complete a Category 2 form to show on-site training by a registered OFTEC engineer or an Engineer who has a Certificate of Competence (i.e. BPEC, Logic). A letter from a Manager on company letterhead must be attached to the Category 2 form and must show a true reflection of the candidates on-site training. The training engineer involved in the training of the candidate must complete the section of the Category 2 form with their details and provide a copy of their OFTEC certificate showing Certificate of Competence.

DURATION

4 Days

CANCELLATION POLICY

Inverness College UHI (ICUHI) reserves the right to cancel or defer the dates of the courses. In the event of ICUHI cancelling a course, learners will be deferred to another (scheduled ICUHI) course or given a full refund if ICUHI are unable to provide a course on dates suitable to the learner. In the event of cancellation of a course by the learner or their representative, the following charges will apply:

More than 28 days – 0%

14-28 days – 25%

1-14 days – 50%

No notice or non-attendance without notice – 100%

ICUHI reserves the right to charge a cancellation fee of £40 if the learner or their representative cancels (refund terms above). Cancellations can be advised to ICUHI by telephone but must be confirmed in writing, either by post or email to: business.ic@uhi.ac.uk

Refunds are calculated from the date of the written confirmation of the cancellation being received by ICUHI.

Learner deferral requests must be received no later than 10 working days prior to the course start date, otherwise the above £40 administration fee will apply. ICUHI will make all reasonable attempts to defer the learner to a suitable ICUHI course, but deferral requests are at the discretion of ICUHI as are any refunds after deferral requests. All awarding body costs arising from the learner deferral request must be met by the learner.
