WELLA ALLERGY ALERT PROCEDURE

It is a health & safety requirement that clients must have a Wella allergy alert test at least 48hrs prior to any hair colouring service. This procedure must be carried out within the training salons BY APPOINTMENT ONLY. If there is no change to the original consultation, this skin test is valid for 6 months.

Should you have a colour treatment at another salon or use shop bought products, you would need a new allergy test before your next colour service. Unfortunately, no colour treatments can be carried out without a valid skin test in place.

No colour treatments are carried out on children under the age of 16 years.

LATE ARRIVALS

Should you arrive late for your appointment, your treatment might not be carried out due to time constraints.

REMINDER

UHI Inverness is a teaching and learning environment and your appointment may take longer than expected. However, this is reflected in our price list and the students and staff will make every effort to ensure our clients have an enjoyable and professional experience.

We are not always able to offer all of the listed treatments as it may vary throughout the academic year in accordance with students' requirements. At times, services might have to be cancelled at short notice due to unforeseen circumstances.

No babies, toddlers or children under the age of 12 years are allowed in the salons. We do not offer any services to anyone under the age of 12 years.

APPOINTMENTS

Please call the hair and beauty reception for further information or appointments on the number below. Our clients are very important to us. If your call is not answered straightaway, please leave a message and we will call you back at the first available opportunity.
