

Welcome
from
the Scientific
Committee

Peter Busher
October 25, 1949
– July 25, 2025

I live trapped my first beaver 🦫 in October 1973 and collected my last food cache data in November 2023 completing 50 years of field research . What a wonderful experience and journey. I loved every day and night spent learning about beaver behavior. Peter Busher, May 6, 2025

European meetings e.g.

Beaver conference
UK 2023

International workshop on
Beaver Management Sweden 2018

International beaver workshop
Sweden 2016

Forestry and Water Network, Focus meeting "Beaver,
Forest & Water" Lithuania, 2013

Seminar on beaver management
Poland 2011

Nordic beaver workshop
Finland 2005

Beaver's European Day
Belgium, 1999

Semiaquatische
Säugetiere II
Germany 1992
