Student Work Experience Programme (SWEP)

Active Campus Assistant – Full Overview

Becoming an assistant with the Active Campus Coordinator will be a great way to get involved, build experience, and make a positive impact on the college. As an assistant, you can support with sport sessions, help during sporting events, set up sports equipment, or oversee individuals in the gym by ensuring a safe and welcoming environment.

Whether you're interested in sports, or would like to meet new people, assisting with the Active Campus gives you the chance to develop new skills while contributing to a fun and active college!
